SILVER SERIES

The Silver Series tournaments are intended for **D2 & D3 Teams (Middle/"Silver" Tier or Bottom Tier) ONLY**; allowing teams from these levels fair competition, a chance to bring home the Championship title and an unforgettable event! Teams from around the Midwest & South come to compete at the top parks where Silver Series Tournaments are hosted.

- Part Time and House League All-Star Teams Also Welcome
- Coaches Are Responsible for Classifying Their Team Properly

TURF WARS

Schedule your tournaments knowing that you won't have to worry about rainouts while playing at some of the nicest turf venues around. Game Day USA's Turf Wars bring opportunities to focus on competition rather than worrying if your games will be played!

DivLevel is travel baseball's national team division classification system. Travel baseball teams from across the nation are able to self-classify their team in one of three division classifications: **Division 1 (D1)**, **Division 2 (D2)** or **Division 3 (D3)**. DivLevel promotes the concept of LEVEL-PLAY in travel baseball, through one unified system of team classification used throughout the industry. Learn more & classify today at DivLevel.com
